The International Christian Embassy Jerusalem was established in 1980 in recognition of the biblical significance of all of Jerusalem and its unique connection with the Jewish people. Today, it represents millions of Christians, churches, and denominations to the nation and people of Israel. We recognize in the restoration of the State of Israel God's faithfulness to keep His ancient covenant with the Jewish people.

Our main objectives are: to stand with Israel in support and friendship; to equip and teach the worldwide Church regarding God's purposes with Israel and the nations of the Middle East; to be an active voice of reconciliation between Jews, Christians, and Arabs, and to support the churches and congregations in the Holy Land. From its head offices in Jerusalem, the ICEJ reaches out into more than 140 countries worldwide, with branch offices in over 90 nations. For more information visit www.icejusa.org.
