Bring your family on our first ever ICEJ USA Summer Tour of the Holy Land!

Join this incredible tour specially put together for families young and old to explore the land of the Bible and learn about Israel and the Jewish people!

Together we will explore the Sea of Galilee, visit the Golan Heights, worship and have personal ministry under the stars, ride camels into the sunset, sleep in a Bedouin tent like Abraham (air-conditioned rooms are available too :), float in the Dead Sea, explore the ancient city of Jerusalem, take jeeps into the Judean Desert, swim in some of the fresh water pools of the north and in the Mediterranean ocean... and much more!

We will also hear from different speakers and teachers as we tour through the biblical sites around Israel, and have the opportunity to serve in some special projects the ICEJ is involved with in Israel.
