

ISRAEL'S DIAMOND *Anniversary*

Join with the ICEJ and other Christian organizations in celebration of Israel's 75th Diamond Anniversary in May 2023.

BECOME A SPONSOR

Your sponsorship commitment will enable us to produce events reflective of this historic milestone in Israel's history. Our model is the collaborative gala dinner we hosted in 2018 for Israel's 70th and the move of the US Embassy to Jerusalem. Over 40 organizations cosponsored a beautiful event that reflected that historic occasion and the broad-based support for Israel in the Christian community. Your partnership for Israel's 75th will enable us to produce even more impactful celebrations.
