

55,599 Americans say No Bombs for Iran!

Dear President Trump,

Iran has repeatedly and publicly expressed its desire and intention to annihilate Israel. We demand that Iran not be allowed to develop nuclear weapons.

We, the undersigned, urge you to take immediate action to stop Iran from developing nuclear weapons. Otherwise, Iran may attempt to carry out what it has publicly vowed to do: destroy Israel. Failing to act against Iran puts Israel directly into harm's way. We will not stand idly by as Israel is attacked by those who would celebrate its destruction.
